**OK, it can stop raining now!**

**Bankruptcy News**

- The WCC bankruptcy plan has been approved by the bankruptcy judge.
- The owners have no interest in selling the club.
- They will be providing deficit cash as needed to keep the Club moving forward.  
(As a side note, if it quits raining, that won't be necessary.)
- It is estimated that we may be out of bankruptcy by September.

**Member Relations/Ambassador**

Mike Newbill and Debbie Martinak are working diligently to ensure that our current and future members are satisfied with their benefits at Woodhaven. A new member reception will be scheduled next month.

Obviously, new members are critical to the success of our Club. Summer memberships are one possible way along with others that the Board discussed. These options are similar to those "specials" that all the other area clubs are offering.

**Food & Beverage/Social**

Wow, great brunches! Easter Brunch was attended by over 200 people and Mother's Day had 176, congratulations to Mike Suazo and his team. It was delicious!

The pool opens this weekend! And, if ever quits raining, management plans to put in a couple of cabanas and even install a slide in the near future.

Mike and the committee are planning additional events. July 4<sup>th</sup> is not far away as well as Labor Day. Another wine dinner is in the planning stages as well as New Year's Eve. Be sure to look at the website and flyers in the Club for more information about these specials.

Please continue to support the Club by attending these events. If you have a suggestion or would like to serve on the committee, please contact Jake at [jakesoteriou@yahoo.com](mailto:jakesoteriou@yahoo.com).

Don't forget the 19<sup>th</sup> Hole has half-priced appetizers and drinks until 7:00 p.m. on Friday nights as well as the catfish dinner.

**Tournaments**

The WWGA Yellow Rose was held last weekend with 80 golfers. Due to a new format we had over 50% of those playing as guests. The Club received many compliments from those golfers. Marilyn Neely and her committee did an excellent job.

The Woodchop is coming up now and it promises to be as great as ever. If you want to support/sponsor these tournaments, please talk to Marilyn Neely, Peter Cowin or the Pro Shop.

All of the tournaments for both Club members and outside organizations are listed on our website, [www.woodhavenclub.com](http://www.woodhavenclub.com).

### **Grounds**

Jamie Miller and his crew are working hard despite the rain. Specifically, they began smoothing out the proposed chipping and putting area. Once the water recedes it will be finished.

The greens were aerated. They will be sanded and rolled in the very near future.

The netting around the driving range is on the agenda to be replaced.

We hope you have noticed the work of the WWGA to beautify the course, particularly at the tee boxes. The following helped by trimming, planting, donating plants, buying plant material, contributing money or just lending a hand. Please thank these people when you see them. Their efforts made a big difference, especially with guests coming for the Yellow Rose and the Woodchop.
