

## **Introducing the new Woodhaven Country Club Member Referral Program**

Beginning immediately, we will be offering a new membership referral program.

Here's how the program works:

For each new member\* you sponsor regardless of membership class, you will receive a reduction in your dues for 1 year of 20% of that new member's base dues amount. That's it – no strings attached. For example, if you sponsored a Full Golf Family Member your dues would be decreased by \$528 for the year, or if you sponsored a Social member you would decrease your dues by \$240. A member may sponsor multiple Members and receive full credit for each one. Your one year decrease is limited to 100% of your dues. Any credit over 100% of your dues will be applied to Food & Beverage and/or Cart Rentals.

### **Example:**

<u>Membership Class</u>	<u>Yearly Dues</u>	<u>Your Year 1 Decrease</u>
New Full Golf Family Member	\$2,640.00	\$(528.00)
New Social Member	\$1,200.00	\$(240.00)

\* Member must sign a one year commitment. Former (within the past 2 years) members are not eligible to qualify as a new member. Any walk-in, existing or future prospective member that has been discovered by the Membership Sales Department through various solicitations are not eligible to refer as they are already on file.
